

Got stuff? Don't Discard it—
Instead...

Leave a Legacy

- Are you retiring and would like to pass your classroom materials on to a new teacher?
- Are you changing grade levels or subject areas?
 - Do you have duplicates of items?
- Do you have teaching materials you do not use?

If so, bring them to EEA at 6551 N Palafox.

We'll turn your trash into treasures for a new teacher.
