

In Skyward Select:

1. Employee Information
2. Personal Information
3. Lane Step History

Look in the step column for the 2019 contract. Refer to the [2019-2020 Salary Schedule](#) for current salary information.

Use your 2019-2021 level placement to determine your pay increase for the 2020-2021 year.

- Levels 1-9 move to \$43,500 – new Level 1
- Levels 10-16 move to \$43,900 – new Level 3
- Levels 17-24 move to \$44,100 – new Level 4
- Levels 25-26 move to \$44,300- new level 5
- Levels 27-28 move to \$44,500, new level 6 continue up with \$200 increments.
- Levels 29-67 receive a \$1100 raise
- Levels 68-114 receive a \$1300 raise
- Levels 115 and above receive a \$1500 raise

The highlighted area is the total amount of the raise for those levels. That will place you on the new schedule.

Example:

A 10-month employee on level 50 is currently making \$47,800. They will receive a \$1100 raise which puts them at \$48,900 (level 28 on the new schedule). Supplements are then added on top of their new salaries.
